This material is provided for informational purposes only and nothing herein constitutes investment, legal, accounting or tax advice. This material is general in nature and is not directed to any category of investors and should not be regarded as individualized, a recommendation, investment advice or a suggestion to engage in or refrain from any investment-related course of action. Information is obtained from sources deemed reliable, but there is no representation or warranty as to its accuracy, completeness or reliability. All information is current as of the date of this material and is subject to change without notice. Any views or opinions expressed may not reflect those of the firm as a whole. Specific securities identified and described do not represent all of the securities purchased, sold or recommended for advisory clients. It should not be assumed that any investments in securities, companies, sectors or markets identified and described were or will be profitable.

ACIMA Private Wealth may provide links to and follow, like, comment, share content, or otherwise reference third party content that ACIMA Private Wealth believes to be of general interest or educational in nature, including, but not limited to, content accessible on third-party websites, social media platforms and podcasts. Such activity is for convenience purposes only and does not imply any endorsement, approval, investigation, verification or monitoring by ACIMA Private Wealth of any such third-party or linked content. ACIMA Private Wealth does not accept any responsibility for any third-party or linked content and makes no representation or warranty as to the accuracy, completeness or reliability of any such content. ACIMA Private Wealth specifically disclaims any liability for any loss or damages that may be incurred, directly or indirectly, as a result of any use of any third-party or linked content. If you choose to access any third-party or linked content you do so at your own risk, and you will be subject to any applicable terms of use and privacy policies of the content provider, over which ACIMA Private Wealth has no control.

Investing entails risks, including possible loss of principal. Diversification does not guarantee profit or protect against loss in declining markets.

This information discusses general market activity, industry or sector trends, or other broad-based economic, market or political conditions and should not be construed as research or investment advice. It is not intended to be an offer or the solicitation of an offer. Investors are urged to consult with their financial advisors before buying or selling any securities.

References to portfolio companies are provided solely to illustrate the application of the Manager's investment process and are not and should not be considered a recommendation of any particular security or portfolio investment. It should not be assumed that recommendations made in the future will be profitable or will equal the performance of past recommendations.
